*Join us for an exciting casino-themed celebration
at our signature event, A Night to Dream!*

Mildred's Dream Foundation is proud to host its annual A Night to Dream on Saturday, March 21, 2026, at Cross Insurance Club West at Gillette Stadium. We invite you to celebrate the legacy and lifetime work of Mildred Piltch, whose passion and commitment to creating a better world continue to guide our mission. Millie dedicated her life to supporting individuals facing physical and mental health challenges, eliminating domestic violence and abuse, uplifting survivors of trauma, and ensuring access to quality education for all.

Your participation helps us continue this important work. 100% of proceeds benefit the charities Mildred's Dream Foundation supports. All costs associated with MDF events and operations are generously funded by The Piltch Family.

We look forward to celebrating with you at A Night to Dream!
